ITEM - 4 REVIEW OF EUGOWRA FLOODPLAIN RISK MANAGEMENT STUDY 1999 - DRAFT, MARCH 2010

Proceedings in Brief

The Director of Engineering & Technical Services spoke briefly on the report and it was noted that submissions would be accepted until the close of business on 16 February 2011.

The importance of Councillors understanding the study and review thereof was stressed noting that it is a scientific document which may appear complex to the average person. It was decided that a briefing opportunity

would be offered on February Committees Day and the Director of Engineering & Technical Services recommended Councillors attend the public briefing day (date to be advised) as observers as the consultants would be available for questions.

MOTION (Hyde/Bleakley)

THAT Council:

1. Adopt the November 2010 draft review of the Eugowra Floodplain Risk Management Study 1999 for Public exhibition and that submission on the draft document be received up until close of business on 16th February 2011.
2. Confirm to the Eugowra community that Council is supportive of, or investigating positive actions to alleviate the impact of flooding and promote future development in Eugowra, with such measures to include:
 - An amount of \$350,000 already committed in the 2010/2011 budget
 - In conjunction with Government agencies and the local community, undertake stream clearance works
 - Acknowledge the work done by the Eugowra SES in relation to flooding and their positive responses and actions to it, for the future management of flood events
 - Works on the Puzzle Flat Creek levy bank
 - Lobby the Minister and Insurance companies regarding insurance premiums on properties potentially impacted by flooding
 - Grants and assistance with house raising
 - Stormwater drainage improvements
 - Loans for top up deposits to assist with Financial Institutions housing loan policies

10/12/02 Carried

There being no further business, the meeting closed at 12:48pm.
